PLUMS

Pusat Luar Universiti Malaysia Sabah

Who we are

Pusat Luar UMS (PLUMS) offers Lifelong Learning programmes at Undergraduate and Postgraduate (Coursework & Mixed Mode) levels to qualified applicants, especially for working adults.

In order to serve the requirements stipulated by companies and employers, PLUMS classes and modules are scheduled flexibly to fulfil the needs of the working-adult student populace and classes are conducted by experienced UMS academicians as well as visiting lecturers.

PLUMS was officially established on 1st December 2006. The centre was placed under the management of UMS Investment Holdings Sdn. Bhd., a subsidiary company that managed directly under Universiti Malaysia Sabah to generate income by offering academic programmes at the university's respective faculties. However, starting from 1st August 2018, PLUMS has become one of UMS' center of excellence through the acquisition from its subsidiary.

Mission

To achieve academic excellence by producing world-class human capital through lifelong teaching and learning.

Vision

To become an innovative as well as a world-class lifelong learning centre.

Accreditation of Learning Based on Previous Experience

APEL is defined as a systematic process that involves the identification, documentation and evaluation of learning based on prior experience. Thus in general, the APEL process involves the assessment of experiential learning. This learning can be gained through a variety of methods including formal schooling, life and employment experiences, training, independent study, volunteer work, hobbies and others.
